

# GLOBAL OGB ASSOCIATION (GO)

## For Information

A question was presented by a Global OGB Association member –  
“ ...to let the Membership know when the Committee proposes to have its Annual General Meeting as it has now become an NGO with a given Registration Number.”

As this may be a question that other GO Members have, the GO Managing Committee advises that :

- **There is no requirement for an NGO, in India, to hold an Annual General Meeting**
- **As per the Terms of the Global OGB Association Trust Deed, sanctioned by the NGO Registrar in New Delhi – there is no requirement to hold an AGM of the Global OGB Association, NGO Trust**
- **In fact, no provision exists to organise a general meeting, per se.**

However, the Association did hold its inaugural meeting on 21 September 2015 in Dr.Graham’s Homes, Kalimpong.

The next general meeting was scheduled for September 2020 – due to the outbreak of covid restrictions, this was not possible.

Further, the objective is for the Global OGB Association to hold a general meeting at least every 5-years.

**GO ACCOUNTS** - 95% of the “Adopt a Classroom” Project was completed in end June 2022. Note the income & expenditure is being finalised. As soon as it is available, the information will be posted on the GO Website.
