“COTTAGE RENOVATION” Re-COMMENCING

With the help of generous donors, who saw the value of having an environment that is conducive to studies and students, 22 Classrooms were refurbished over the last 12 months. The School is now in full operation with **all children**, enjoying the brand new Classrooms and facilities.

Please note, GO was and is still focussed on completing the work on the Cottages. However, 2021 was just an opportune period to take advantage of the unused Classrooms and unused Workforce.

BREAKING NEWS - GO can now deploy its energies back to the Cottages.

NEXT STEP - OCCUPIED BOYS COTTAGES

- ✓ **HEATHLAND Cottage**
- ✓ **CALCUTTA Cottage** - unfinished work to be completed

- Heathland was initially earmarked for the Winter of 2019-2020 – but all plans came to a stand still due to covid travel restrictions
- It is now back on the agenda for end **January-February 2023**
- Secondly, during the Winter 2019-20 when Calcutta Cottage was done – some flooring work was left unfinished due to shortage of material at that time. This job is also projected to be completed during this period.

ESTIMATED COST PER COTTAGE

From our previous experience with the Girls Cottages, the estimated cost is approximately Rs.8 to 10 lakhs per Boys Cottage.

However, if a complete Roof restoration is also required, it is anticipated this will involve another Rs.4-6 lakhs per Cottage.

FUNDING

- There are still some funds available from 2020 and this will complete the Calcutta Cottage work and kick-start the project at Heathland
- The ‘Girls’ have shown initiative in raising funds, for their respective Cottages. Unfortunately, the same cannot be said of the “Boys”!
- The GO Managing Committee hopes that the call for Heathland and Calcutta will be heard and initiate some interest from the “Boys”!!

OTHER OCCUPIED BOYS’ COTTAGES

- As funds are received – work will continue on Wiston, Scottish Canadian, Grant, Murray and Lucia King
- Funds permitting, this work will continue during the School Terms. All the Boys Cottages are under occupied so if the need arises, the boys can be shifted temporarily to another Cottage while their Cottage is being refurbished.
