

Career Guidance and School Leavers Programme – 2016

Organiser – Bradley Mawer, GO Vice Chairman, OGB

A Global OGB Association (GO) initiative in co-operation with the Management of Dr. Graham's Homes and the UK Committee for DGH.

Dr Graham's Homes

Programme Objectives

- To bring awareness to school leavers of the challenges they will face in society and to provide them guidance in their career choices.
- To assist senior students make the appropriate choices based on their skills and abilities.
- To provide students an insight into their own strengths and weaknesses by conducting the Myers-Briggs Personality Test.
- To facilitate the entry of school leavers into a post-Homes environment in the cities.
- To interact with the sponsored children to encourage academic and extra-curricular participation and instil a sense of responsibility.

Established 2014

Dr. Graham's Homes Founded 1900

Programme Day 1 – 5/10/16)

SPONSORED Children Session

The session focusses on 4 areas:

1. The need for students to understand their sponsorship background and position
2. The changes in the landscape facing the Anglo-Indian community
3. The present situation with the Overseas Committees and Sponsors
4. The realities of the post-Homes environment as well as the misconceptions of some popular career choices.

Speakers:

Bradley Mawer, GO Vice Chairman, OGB

James MacHardy, Chairman, UK Committee for DGH

Mrs. Margaretta Purtill (Byers), Trustee, UK Committee for DGH, OGB
